Property Description

This beautiful 97+/- acre ranch has it all and it is located just minutes from the Woodlands on a paved public road that is only used by a few neighbors. Seven ponds full of fish, productive open meadows, wooded land providing cover for wildlife, 4 nice barns, and a 3000+- sq. ft. home located at the entrance of the property is a renovator's dream with its funky layout and 1970's retro details. This is the first time this property has been on the market and it will not last.
