Property Description

This beautiful property tucked into the rolling terrain of the Texas Hill Country overlooking Medina Lake has the potential to be a unique family hideaway, and private hunting preserve, or development property. Features include a nice 10 year old home that county records show has 2552 SF of living space. A 70 ft x 50 ft high roof barn with 5 large doors with space for a large motor home, boat(s), ATV(s), or most anything you need. Property is high fenced and has exotic game and cattle that add to the special uniqueness of the property. Access to the ranch is from paved county road 264 by way of either one of the two seller owner lanes that lead to remote controlled entry gates. The area around the home and barn is high fenced off from the rest of the high fenced property to keep deer from damaging the apple and pear trees.
